

Lock, Stock, and Double Barrel Covered Bridge Tour & Road Rally

Saturday, June 21, 2003

Rallymaster Janis Ford invites members of car clubs, bridge clubs, and anyone interested in visiting beautiful and historic bridges to participate in the **Lock, Stock, and Double Barrel Covered Bridge Tour and Road Rally**.

The event centers around the bridges of Preble County, Ohio. The itinerary is approximately 125 miles in length, taking about 4 hours to complete. The format is self directed using clear mileage referenced instructions with "Follow" or "Most Nearly Straight Ahead" course following concepts. A mid-event break will provide a brief respite from driving.

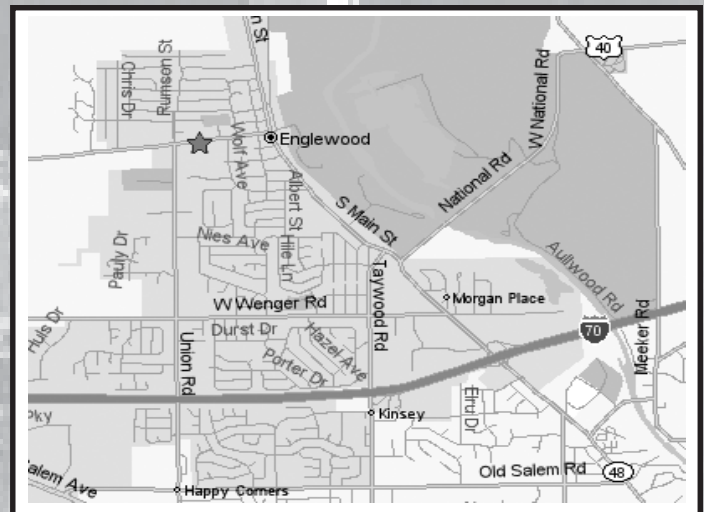

The event uses public roads and legal speeds at or below the posted speed limits. This is NOT a closed course event nor a street race. Thus, all public traffic laws must be obeyed.

The event is open to any four-wheeled, road worthy vehicle with at least two occupants. All participants must wear seat belts. For contesting the rally, entrants should bring an accurate watch, clipboard or other firm writing surface and a pencil or pen. A calculator is optional.

Trophies will be awarded in all classes and there is a special class for Novice Participants.
