Hocking Valley Fall Finale CORC Rally

Sunday, October 23, 2005

The Central Ohio Rally Club (CORC) invites you to participate in the Hocking Valley Fall Finale CORC Road Rally.

The event runs through Franklin, Fairfield, and Hocking Counties. The itinerary is approximately 125-150 miles in length, taking about 4+ hours to complete. The format is self directed using clear mileage or landmark referenced instructions with a "Straight Forward" course following. These are the "coolest" roads we've used in years.

The event uses public roads including some patch paved and gravel roads with legal speeds at or below the posted speed limits.

This is NOT a closed course event nor a street race. Thus, all public traffic laws must be obeyed.

The event is open to any four-wheeled, road worthy vehicle with at least two occupants. All participants must wear seat belts. For contesting the rally, entrants should bring an accurate watch, clipboard or other firm writing surface and a pencil or pen. A calculator is optional.

Trophies will be awarded in all classes and there is a special class for Novice Participants.
